Can't ever get it right  
No matter how hard I try  
And i've tried  
I put up a good fight  
But your words cut like knives  
And im tired

As you break my heart again this time  
Tell me I'm a screwed up mess  
That I never listen listen  
Tell me you don't want my kiss  
That you're needing distance distance

Tell me everything but don't you say she's what you're  
missing baby  
If she's the reason your leaving me here tonight  
Spare me what you think and tell me  
Tell me a lie.

You're the charming type  
That little tweek in your eye  
Gets me every time  
And well there must have been a time  
I was a reason for that smile

So keep in mind  
As you take whats left of you and I  
Tell me I'm a screwed up mess  
That I never listen listen

Tell me you don't want my kiss  
That you're needing distance distance

Tell me everything but don't you say she's what you're  
missing baby  
If she's the reason your leaving me here tonight  
Spare me what you think and tell me  
Tell me a lie.

Tell me I'm a screwed up mess  
That I never listen listen

Tell me you don't want my kiss  
That you're needing distance distance

Tell me everything but don't you say she's what you're  
missing baby  
If she's the reason your leaving me here tonight  
Spare me what you think and tell me  
Tell me a lie.
