All the girls can be shakin' in the bounce tonight  
Gonna do it like we do when the bounce is right  
If it's cool we can rock until the morning light  
Can you feel the vibe?  
Tell me can you feel the love?  
And these fellas will be checkin' out the ladies right  
And if they're in the mood then it's on tonight  
All we wanna do is rock until the bounce is right  
Make 'em feel the vibe  
Tell me can you feel the love?

Hey there sweet thing  
I'm feeling the attraction  
Are you lookin' for distraction?  
Well you found it here in me

Tall, short, dark, blonde  
Who's the right decision?  
Boy I need a vision if you wanna dance with me

Did that girl just look my way?  
Look like she just wants to play,  
So go over, no I'll stay  
'Cause I don't know just what to say

Won't you tell me where you're from?  
Don't I know you from back home  
We really need to be alone  
'Cause tomorrow you'll be gone

All the girls can be shakin' in the bounce tonight  
Gonna do it like we do when the bounce is right  
If it's cool we can rock until the morning light (Can you  
feel the vibe?)  
Can you feel the vibe? (Can you feel the vibe?)  
Tell me can you feel the love?  
And these fellas will be checkin' out the ladies right  
And if they're in the mood then it's on tonight  
All we wanna do is rock until the bounce is right  
Make 'em feel the vibe  
Tell me can you feel the love?

Look at you boy  
You really got me flyin'  
And you aint even tryin'  
That's why I wanna be with you

There's no doubt  
You're the hottest thing around here  
Come on and say you'll stay here  
We can party till the day is gone  
I've been watching you awhile  
And I really like your smile  
I can see you got a line  
But I know for right now  
That we could be just fine

Should we really play this game?  
Can you tell me what's your name?  
Does it matter all the same?  
You can see in my eyes that we'll meet up again

All the girls can be shakin' in the bounce tonight  
Gonna do it like we do when the bounce is right  
If it's cool we can rock until the morning light  
Can you feel the vibe?  
Tell me can you feel the love?  
And these fellas will be checkin' out the ladies right  
And if they're in the mood then it's on tonight  
All we wanna do is rock until the bounce is right (feel  
the vibe)  
Make 'em feel the vibe  
Tell me can you feel the love?

All my girls

All the girls can be shakin' in the bounce tonight  
Gonna do it like we do when the bounce is right  
If it's cool we can rock until the morning light  
Can you feel the vibe?  
Tell me can you feel the love?  
And these fellas will be checkin' out the ladies right  
And if they're in the mood then it's on tonight  
All we wanna do is rock until the bounce is right  
Make 'em feel the vibe (oh oh oh yeah)  
Tell me can you feel the love?

Ohhh yeah...

All the girls can be shakin' in the bounce tonight  
Gonna do it like we do when the bounce is right  
If it's cool we can rock until the morning light  
Can you feel the vibe?

Tell me can you feel the love?  
And these fellas will be (can you feel the vibe?)  
checkin' out the ladies right  
And if they're in the mood (can you feel the vibe?) then  
it's on tonight  
All we wanna do is rock (can you feel the vibe?) until  
the bounce is right  
Make 'em feel the vibe  
Tell me can you feel the love?

And the fellas checkin' everybody out tonight  
And the beach where they all dance - out of sight  
She looks like she won't, but I think she might  
She gotta feel the vibe
