Love can be of many splendid things
Can't deny the joy it brings
A dozen roses, diamond rings
Dreams for sail and fairy tails
It will make you hear a symphony
And you just want the world to see
But like a drug that makes you blind
It will fool you everytime

The trouble with love is
It can tear you up inside
Make your heart believe a lie
It's stronger than your pride
The trouble with love is
It doesn't care how fast you fall
And you can't refuse the call
See you've got no say at all

Now I was once a fool it's true
I played the game by all the rules
But now my world's a deeper blue
I'm sadder but I'm wiser too
I'd swore I'd never love again
Swore my heart would never mend
Said love wasn't worth the pain
But then I hear it call my name

The trouble with love is
It can tear you up inside
Make your heart believe a lie
It's stronger than your pride
The trouble with love is
It doesn't care how fast you fall
And you can't refuse the call
See you've got no say at all

Everytime I turn around
I think I've got it all figured out
My heart keeps callin and I keep on falling
over and over again
This sad story always ends the same

Me standin in the pouring rain
It seems no matter what I do
It tears my heart in two

(The trouble with love is)
The trouble with love is yea
(It can tear you up inside)
It can tear you up inside
(Make your heart believe a lie)
Make your heart believe a lie
It's stronger than your pride
(The trouble with love is)
It's in your heart
It's in your soul
(It doesn't care how fast you fall)
Your losin' all con
