"Up To The Mountain"

I went up to the mountain
Because you asked me to
Up over the clouds
To where the sky was blue
I could see all around me
Everywhere
I could see all around me
Everywhere

Sometimes I feel like
I've never been nothing but tired
And I'll be working
Till the day I expire
See sometimes I lay down
But no more can I do
But then I go on again
Because you asked me to

Some days I look down
Afraid, afraid I will fall
And though the sun shines
I see nothing at all
But I hear your sweet voice
Come and then go
Come and then go
Your telling me softly
You love me so
