You've got your mother and your brother
Every other undercover tellin' you what to say
You think I'm stupid but the truth is that it's Cupid, baby
Lovin' you has made me this way, oh yeah

You need to know this situation's gettin' old
And now the more you talk the less I can take, oh

I'm lookin' for attention, not another question
Should you stay or should you go?
Well, if you don't have the answer why are you still
standin' here?
Hey, hey, hey, hey! Just walk away
Just walk away, just walk away

I waited here for you like a kid waitin' after school
So tell me how come you never showed?
I gave you everything and never asked for anything
And look at me I'm all alone

So before you start defendin'
Baby, stop all your pretendin'

I know you know I know, so what's the point in bein'
slow?
Let's get the show on the road today, hey!

I'm lookin' for attention, not another question
Should you stay or should you go?
Well, if you don't have the answer why are you still
standin' here?
Hey, hey, hey, hey! Just walk away
Just walk away, just walk away

I'm lookin' for attention, not another question
Should you stay or should you go?
Well, if you don't have the answer why are you still
standin' here?
Hey, hey, hey, hey! Just walk away

If you don't have the answer walk away
Then just leave! Walk away

Walk away
Walk away
