Ooh, ooh
If you see me walking down the street
And I start to cry each time we meet
Walk on by
Boy, walk on by

Make believe that you don't see the tears
Just let me grieve in private
Cause each time I see you
I break down and cry
Boy, walk on by

I just can't get over losing you
And so, if I seem broken and blue
Walk on by
Boy, walk on by

Foolish pride, all that I can feel
So let me hide the tears and the sadness
You gave me when you said goodbye
Boy, walk on by

Ooh, ooh, make believe that you don't see the tears,
honey
Let me grieve in private
Cause each time I see you
I just break down and cry
Oh oh, just walk on by
Walk on, walk on
Ooh, ooh
Oh, walk on by
