(kelly)
sitting all alone
on the porch waiting
for you to come around but
you don't ooh yeah. and then
I remember that you are gone yeahh.

(Chours)(Kelly)
Where is the feeling that
I used to know when would make love.
where is the feeling we used to know and
than I wonder where did the feeling go.

(kalan)
I think of you all
the time even if the feeling
is there or not but I hope you that
the feeling is still there for me
but I just can't wait for you to come
around. But still where did the feeling go.

(Chours)
Where is the feeling that
I used to know when would make love.
where is the feeling we used to know and
than I wonder where did the feeling go.

Where is the feeling that

I used to know when would make love.
where is the feeling we used to know and
than I wonder where did the feeling go.

(Kelly)
ooh where did it go

(kelly&Kalan;)
oh all those lonely nights
I had to spend alone but know that
you are back I realized that the feeling
is gone and I still I'm wondering ohhh wondering where
did it go.

(Chorus)

Where is the feeling that(Where Did It go)
I used to know when would make love.
where is the feeling we used to know and
than I wonder where did the feeling go.

(Kelly)

Ohh will we ever find the
feeling again. ooh

Repeat Chorus Till Fade.
