This situation
If it gets any deeper could be critical
I'm not your love monkey
So be taking back all the lies you sold
What did you want me to be
It's just too much now
So tell me, so tell me, so tell me one two three four

So what's your evil attitude
When you got me spending my time pleasing you
Why must you keep me underground
Tell me, tell me why you wanna bring me down?
Is it too much to give a damn
When I'm giving you one hundred and ten
Don't blink cause I won't be around
Tell me, so tell me, why you wanna bring me down

Now your transmission is on the negative
You're on a losing streak
This information is getting ordinary
And you're losing me
What's with your hostility
Ouhh when the lie's on me?
Well you're down to the last chance
So tell me, so tell me uno dos tres cuatro

So what's your evil attitude
When you got me spending my time pleasing you
Why must you keep me underground
Tell me, tell me why you wanna bring me down?
Is it too much to give a damn
When I'm giving you one hundred and ten
Don't blink cause I won't be around
Tell me, so tell me why you wanna bring me down

(Bring me down, bring me down)

Was it all just a waste of time
I don't wanna spend my whole life thinking bout it
Baby this is where I draw the line, I think I'm done

Guitar

So what's your evil attitude
When you got me spending my time pleasing you
Why must you keep me underground
Tell me, tell me why you wanna bring me down?
Is it too much to give a damn
When I'm giving you one hundred and ten
Don't blink cause I won't be around
Tell me, so tell me why you wanna bring me down

Down yeah
Why you wanna bring me down
Oh yeah
Tell me, tell me why you wanna bring me down?
Down, down, down
Why you wanna bring me down
Why you wanna, Why you wanna,
Why you wanna bring me down?
