That's right
And you're a ball of a
I want from you
I won't give up
I can't get all along
And you too
Don't hesitate
Let it go
Let me know baby
Show me
Are going... I tried my best to...

Yeah
Let me know
Let me know
Yeah
Let me Go
...

Help me Help yourself
I wanna give it all to you ,so
Don't make me second guess
I don't wanna play games no more
Be sure I've got your back
I've never wanted anything more than you
And your sexy body
...I'm looking for a ... like this

Yeah
Let me know
Let me know
Yeah
Let me Go

Everything about you about you
I wanna know
Pent up
Love you, Anytime I want to
Let me show you
Let me give you everything I have left to show you
I know where I've loved somebody more than what
you'll give to me

You gonna help me, you gotta need me
When I see you everything... care enough to tell me,
show me
What if your afraid, too scared
To show me, love me
Like I know you can

Yeah
Let me know
Let me know
Yeah
Let me Go
