So what if I like the sound of
A little bit of rock and roll
So what if it's just my thing to like
The rhythm of some soul

If you don't like Bonnie,
If you don't like Prince,
You ain't gonna like this

So what if I like to dance
To some blues in the pouring rain
It doesn't mean I can't turn it on
When ol' George says "Give It Away"

If you don't like Stevie,
If you don't like Vince,
You ain't gonna like this

Singin' what I'm feeling inside
I don't care what it is, what you call it, here it is
If you don't like what I dig
You ain't gonna like this
You ain't gonna like this

So what if I like some country
Whether it's the music or the men
So what if I like the mood
That Coltrane puts me in

If you don't like Johnny,
And if you don't like Elvis
You ain't gonna like this
You ain't gonna like this

Singin' what I'm feelin' inside
I don't care what it is, what you call it, here it is
If you don't like what I dig
You ain't gonna like this
You ain't gonna like this

Singin' what I'm feelin' inside
I don't what it is, what you call it, here it is

If you don't like what I dig

If you don't like Reba,
If you don't like Trisha,
If you don't like Aretha,
I don't even wanna meet ya

If none of my heroes make your list
Well then you ain't gonna like this
