A poisoned culture □ Based on lies, war & deceit
Slaughterhouse philosophy □ Cruel butchers are hard
to beat
The law of the game □ Is the law of the bloody blade
Dictated by lunacy □ It's the fall death serenade

[Bridge:]

War □ As the essence of a painful life
Decay □ The stream of death agony will ride

[Chorus:]

Hate □ Hate is my fuel
The mob is just tool
Hate □ Hate is my fuel
I'm the lord of misrule

Death brings us together as one □ The feel to be
second to none
Shameful should be the gluttonous □ What makes a
real genius?
Erases all the treasures □ Wipes out all fame, affluence
and wealth
Recognize the afterlife freedom □ Won't be based on
stealth

[Bridge:]

War □ As the essence of a painful life
Decay □ The stream of death agony will ride

[Chorus:]

Hate □ Hate is my fuel
The mob is just tool
Hate □ Hate is my fuel
I'm the lord of misrule

Insanity □ We do rape, wreck and then □ We search for
an excuse
Decay □ We all gonna rot, we're all the same on the
final cruise
Modesty □ Is so hard to find, is this a curse □ Is this
real?
Consistency □ Is a gift of life, education is the deal

[Chorus:]
Hate ☐ Hate is my fuel
The mob is just tool
Hate ☐ Hate is my fuel
I'm the lord of misrule
