A poisoned culture - Based on lies, war & deceit  
Slaughterhouse philosophy - Cruel butchers are hard to  
beat

The law of the game - Is the law of the bloody blade  
Dictated by lunacy - It's the fail death serenade

[Bridge:]

War - As the essence of a painful life  
Decay - The stream of death agony will ride

[Chorus:]

Hate - Hate is my fuel  
The mob is just tool  
Hate - Hate is my fuel  
I'm the lord of misrule

Death brings us together as one - The feel to be second  
to none

Shameful should be the gluttonous - What makes a real  
genius?

Erases all the treasures - Wipes out all fame, affluence  
and wealth

Recognize the afterlife freedom - Won't be based on  
stealth

[Bridge:]

War - As the essence of a painful life  
Decay - The stream of death agony will ride

[Chorus:]

Hate - Hate is my fuel  
The mob is just tool  
Hate - Hate is my fuel  
I'm the lord of misrule

Insanity - We do rape, wreck and then - We search for  
an excuse

Decay - We all gonna rot, we're all the same on the final  
cruise

Modesty - Is so hard to find, is this a curse - Is this real?  
Consistency - Is a gift of life, education is the deal

[Chorus:]  
Hate - Hate is my fuel  
The mob is just tool  
Hate - Hate is my fuel  
I'm the lord of misrule
