"Must Kill"

You must kill
Another body killed
We must kill
Another blood is spilled
You must kill
Another soul is I'll
We must kill
Another life
Killed...
Killed...
Killed...

We must kill
Another deadly sin
You must kill
Another orphan land
We must kill
Another atrocity
You must kill
Another misery
You must kill
And blood will follow
We must kill
There's no tomorrow
You must kill
Death will follow

We must kill
There's no tomorrow...

Judgment...
Torment...
Execution...

You must kill
This is not a drill
We must kill
This is for real
You must kill
Another body I'll
You must kill
Another blood is

Spilled...
Spilled...
Spilled...

Judgment...
Torment...
Execution...

Um
Dois
TrÃãs
Quatro...

Must Kill...
Must Kill...
Must Kill...
