On the razor's edge I kneel all this can't be real
Every soul stands for a death!
Where are my illusions all those fake conclusions
Will this now be my last breath?

Like a slow motion flick ☐ but this fear ain't a trick
My live is rushing through my eye!
Panic grabs my mind ☐ Now the daily grind
Seems unreal I can't deny!

[Bridge:]

Rich man ☐ Poor man ☐ Beggar man ☐ Thief
In the face of death ☐ They all start to believe

[Chorus:]

Sorcerer of Black Magic ☐
Preacher of an unseen god
Sorcerer of Doom ☐
Make you pray for your decay
Sorcerer of Black Magic

When time is up
☐ There's no more need for a clock
To late to fucking justify!
This fatal vortex now shows the final round
My regrets I can't deny!

I had too many challenges
☐ Broke down all the fences
When time was right I did fail!
Wealth is an earthly chance
☐ Dance the final dance
Dark forces will prevail!

[Bridge]

[Chorus]

Master of Sadism King of Hedonism
On judgement day we are all the same!
Evil spirit crying all mankind is dying
No hope for the lost souls

[Bridge]

[Chorus]

Sorcerer of Black Magic □ There's no escape
Sorcerer of Black Magic □ And no control
Sorcerer of Black Magic fond belief
Sorcerer of Black Magic □ The bell tolls
