Possessed by evil hell  
Satan's wrath will kill  
He will take your soul  
Cast you to hell

Demons dog domain  
Keeping me insane  
Evil curse my soul  
Burning away

Satan's hell will burn  
Terrored cries are heard  
Everlasting eternity  
Warriors of hell

Unleashed men of sin  
Hatred hell within  
Sinners hate will die  
The Exorcist

[Solo: Mike]

I can see the light  
I don't want to burn  
Help me save my soul  
Let me live

Your curse is not my fear  
Demons within me hear  
I will escape your wrath  
666

This is not my way,

Doom, sorrow for eternity  
Lights shine below in hell  
Forever burning

Words of insanity  
Scream out the final plea  
Evil voices scream out  
Help me!

Demons in my body gone  
Sicken thoughts left beyond  
Haunted by evil memories  
Nightmares and sin

My mind is burnt and black  
Shadowed, no way back  
Fear of living in hell  
Axed my mind

Memories held within  
Satan's gone in sin  
Grasping to relieve the pain  
Scarred for life

Exorcism takes control  
Beneath my body help my soul  
Save my soul from evil hell  
Your spell is lost
