Torture!  
Ripping nails, water boarding,  
Electric shock  
Crucified, brutalized,  
Left to die  
Interrogation, humiliation,  
Cut off tongue  
Isolation, desperation, die alone  
Torture.  
Motherfucking torture...  
Torture  
Motherfucking torture...  
Eye lids cut, limbs are gone,  
Seperation  
High voltage on your head,  
Hallucination  
Scarface, scarhead, mutilation  
Extreme agony sets you free  
Torture.  
Motherfucking torture...  
Torture  
Motherfucking torture...
