Control...

Ultra-violent come and take control

Your soul...

Ultra-violent come and crush your soul

The storm...

Ultra-violent coming with the storm

Your world...

Ultra-violent come destroy your world

Feel the agony, crawling on your knees

Feel the agony and the bloodshed

'til there's nothing left to bleed

'til there's nothing left to bleed

'til there's nothing left to...

Control...

Ultra-violent come and take control

Your soul...

Ultra-violent come and crush your soul

The storm...

Ultra-violent coming with the storm

Your world...

Ultra-violent come destroy your world

Feel the agony, crawling on your knees

Feel the agony and the bloodshed

'til there's nothing left to bleed

'til there's nothing left to bleed

'til there's nothing left to...
