I will not make the same mistakes that you did  
I will not let myself  
Cause my heart so much misery  
I will not break the way you did,  
You fell so hard  
I've learned the hard way  
To never let it get that far

Because of you  
I never stray too far from the sidewalk  
Because of you  
I learned to play on the safe side so I don't get hurt  
Because of you  
I find it hard to trust not only me, but everyone around  
me  
Because of you  
I am afraid

I lose my way  
And it's not too long before you point it out  
I cannot cry  
Because I know that's weakness in your eyes  
I'm forced to fake  
A smile, a laugh everyday of my life  
My heart can't possibly break  
When it wasn't even whole to start with

Because of you  
I never stray too far from the sidewalk  
Because of you  
I learned to play on the safe side so I don't get hurt  
Because of you  
I find it hard to trust not only me, but everyone around  
me  
Because of you  
I am afraid

I watched you die  
I heard you cry every night in your sleep  
I was so young  
You should have known better than to lean on me  
You never thought of anyone else

You just saw your pain  
And now I cry in the middle of the night  
For the same damn thing

Because of you  
I never stray too far from the sidewalk  
Because of you  
I learned to play on the safe side so I don't get hurt  
Because of you  
I try my hardest just to forget everything  
Because of you  
I don't know how to let anyone else in  
Because of you  
I'm ashamed of my life because it's empty  
Because of you  
I am afraid

Because of you  
Because of you
