## "You Thought Wrong"

Visit "[You Thought Wrong](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I see how you're tryin' to  
Weasel your way in boy  
I know how you maneuver  
With all your confusion

You tell me that I'm your only  
And how bad that you want me  
Then why are you so shady  
If I'm supposed to be your lady?

Why should I believe  
Anything you say?  
And how could you  
Shame me that way?

Tell me where  
Where'd you get the nerve  
To even think that you  
You could play me, boy?

You thought that we didn't know  
You thought we were in the dark  
But boy you've done us wrong  
'Cuz we both know now

You thought you had us both  
At your beck 'n call  
But now who's the joke?  
And look who's laughin' now

Now you're tryin to use us, a  
Against one another but it won't work  
I see right through your game, boy  
And I know exactly what I'm in for

You, you try to deny all your actions  
For once in your life be a real man  
At least give me the proper respect of  
The truth when I already know you did it

Why should I believe  
Anything you say?

And how could you  
Shame me that way?

Tell me where  
Where'd you get the nerve  
To even think that you  
You could play me, boy

You thought we didn't know  
You thought we were in the dark  
But boy, your cover's blown  
'Cuz we both know now

You that you had us both  
At your beck 'n call  
But now who's the joke?  
And look who's laughin' now

I see what you do baby  
Tryin' to tell me you want me  
Can't you just get it through your  
Th-th-hick head?

'Cuz I've seen this game before  
And I'm showin' you the door so  
Shut your mouth  
I'm not tryin' to hear your lies, no, not again

No, no, not again  
Sorry, you couldn't be a better man  
Oh oh oh  
No, no, no, no, no

You thought we didn't know  
You thought we were in the dark  
But boy you've done us wrong  
'Cuz we both know now

You thought you had us both  
At your beck 'n call  
But now who's the joke?  
And look who's laughin' now

Guess you thought wrong  
Look who's laughin' now
