Baby smile baby smile
Baby laughing baby crying
Don't cry baby baby smile
All the babies in the world
They laugh and play
Why don't we all do just like them
Baby smile baby smile baby smile
Baby smile baby smile baby smile
Don't cry baby baby smile
Mamas cooking little pancakes
Baby gets into the fridge
Opens up the door and drops an egg
She keeps cooking doesn't hear him
Baby's still in the fridge
Drops another egg and grabs the butter

Baby naughty baby naughty baby naughty
Baby naughty baby naughty baby naughty
Don't cry baby baby smile
Baby smile ...
Mom serves the breakfast for the children
Needs some butter for the pancakes
Spots the baby ooyie gooyie
Baby looks up very smily
Mom grabs baby scrubs him up
While all other children clean up
gooyie gooyie
Baby smile ...
