Long time, some time ago
You broke my heart
And you broke my soul
You kept on going
on and on
And I was hoping
That you'll come back

Won't you come back to me
Come back to me my love
Come back to me, come back to
me my love
Won't you come back to me
Come back to me my love
Come back to me, come back to
me my love

I kept on hoping
For the day to come
When you and I
Would be like one
It never happened, why should I lie

I kept on hoping that you'll
come back

Won't you come back...

And he will come
And fill my heart
With the love
That I want

Won't you come back...

Long time...
