Sweetest angels are still crying because, my babe, the world is dying. But if they continue crying, their wings will break- that's bad for flying.

Ref.: I'm going through my crises, my crises, paying prices everyday.

I need you and you need me to unblind my eyes so that I can see... I see the lights and I'm getting closer... From the sight I get happier, even doze off.

Ref.: I'm going through my crises, my crises, paying prices... I'm taking advises, advises, the last crises, everyday.

Everyday- it'S for the Mom.
Everyday- it's for the truth.

Everyday- everyday...
Everyday- for the truth.
Everyday- take me there!
Everyday- everyday...
Everyday...
Everyday...
