Out in the fields

Farmers grow bread

When called for the meals

They took for the shed

The dark came to fall

And silence was all

A beauty shone bright

Surrounded by light

CHORUS

I fell in love with an alien

I fell in love with her eyes

Fell in love with an alien

I'm telling you no disguise

I'm in love with an alien

I'm in love with her eyes

I'm in love with an alien

I'm telling you no disguise

She came looking out babe for a Romeo cause

She ain't looking out babe for a homeboy

I fell in love with an alien

I fell in love with her eyes

Fell in love with an alien
I'm telling you no disguise
The moon went to bed
The sun growing red
A scarecrow appeared
And chased her in fear
She send me her love to me
And then we did grow
A big family
I fell in love...
She came looking out...
She ain't looking out...
REPEAT CHORUS
