I recall a friend of mine
with a tear in my eye
I stand all alone here at the altar
he's out
I'm left with a problem now
I'm here on earth
left with the pain
look what you've done
you should have called
flip a coin flip a coin
flip a coin
yeah heads i win tails
you loose
flip a coin flip a coin
flip a coin
yeah heads i win tails
you loose
sorry i couldn't help
take it back
sorry i didn't help
well f*** you, you could
have called
what about us what
about me
what about the years I spent
pampering your ass
running here running there
"oh I'm so great, i'm so great
I'm fine i'm fine" you lied
you promised to give
your family
a break from your blows
look at the sad faces you've
left behind now
i let you down? no you
let me down
i got a family to feed
you got a little kid yourself
you know what I mean?
you were supposed to stay
no one gave you the right
to take your life that way

flip a coin flip a coin
flip a coin
yeah heads I win tails
you loose
flip a coin flip a coin
flip a coin
yeah heads i win tails
you loose
halle halle halle
halle halle halleluya
i feel hate i feel pain
i feel so cold i feel ashamed
where's the father
you should
have been to your daughter?
sad news
sad days
where are you now?
talk to me come on talk
to me
i know you can hear me
why brother why?
flip a coin flip a coin
flip a coin
yeah heads i win tails
you loose
flip a coin flip a coin
flip a coin
yeah heads i win tails
you loose
halle halle halle
halle halle halleluya
you could have gone a
different way..
