Woke up this morning and I put on my shoes
Fixed up my hair and then I put on my rouge
hopped out my window into your brand new car
Something's happening between You and I
Something's going on deep down inside

We're going dancing babe all through the night
My heart is beating can't be wrong it feels right
I know for sure that it was love at first sight
Something's happening between you and I
Something's going on deep down inside

I wanna kiss you, but I'm afraid
I wanna touch you, but I'm afraid
Daddy's gonna get mad
I don't wanna lose you
I wanna kiss you, but I'm afraid
I wanna touch you, but I'm afraid
Daddy's gonna get mad
I don't wanna lose you

Last night I dreamed that we were running away
the same old story and babe the same old game
But I know honey this time it's not the same
Something's happening between you and I
Something's going on deep down inside

I wanna kiss you, but I'm afraid...

I guess I'm too romantic for you babe
I guess I'm too romantic for you babe
And I'd sail across the atlantic for you babe
I'd sail across atlantic for you babe

I wanna kiss you, but I'm afraid...
