Out in the fields  
Where the farmers grow bread  
When called for the meals  
The took for the shed  
Then dark came to fall  
And silence was all  
A beauty shone bright  
Surrounded by light

Refrain

I fell in love with an alien  
I fell in love with her eyes  
I fell in love with an alien  
Iâ€™m telling you no disguise  
Iâ€™m in love with an alien  
Iâ€™m in love with her eyes  
Iâ€™m in love with an alien  
Iâ€™m telling you no disguise

She came looking out babe for a Romeo  
She ainâ€™t looking out babe for a homeboy

I fell in love with an alien  
I fell in love with her eyes  
I fell in love with an alien  
Iâ€™m telling you no disguise

The moon went to bed  
Sun growing red  
A scarecrow appeared  
And chased her in fear  
She send me her love  
Her love to me  
And then we did grow  
A big family

I fell in love with an alien  
I fell in love with her eyes  
I fell in love with an alien  
Iâ€™m telling you no disguise  
Iâ€™m in love with an alien  
Iâ€™m in love with her eyes

Iâm in love with an alien  
Iâm telling you no disguise

I fell in love with an alien  
I fell in love with her eyes  
I fell in love with an alien  
Iâm telling you no disguise  
Iâm in love with an alien  
Iâm in love with her eyes  
Iâm in love with an alien  
Iâm telling you no disguise
