"Wake up afraid
nightmares again
haven't slept in 3 days
the parasite attacking me again
dramatic by night
paranoia by day
so I swallow few pills hoping for the pain to go away

Ohhhh nonono lose my senses
Ohhhh nonono building up fences

talk to myself
what's so ever the case
no commonsense
no imagining all kind of things
so lay on my floor
locked in this room
taking up in the cokes
see the world through a kaleidoscope

Ohhhh nonono lose my senses
Ohhhh nonono building up fences

CHORUS
a million flies are on their way
and they won't go go away
a million flies here to stay
and they won't go go away

I wanna go back
back in the room
see the grave-digger
smiling to me waiting at the tomb
caught in the trap so help me to laugh
cause I'm sick of fighting
come and pinch me I'm just dream'ng

Ohhhh nonono lose my senses
Ohhhh nonono lose my fences

CHORUS

..... oh oh oh oh oh oh
CHORUS"
