Once in a while I see you
Once in a while I don't
And when I when I see you
I feel like flying over
Flying over the clouds oh yeah
Oh I wanna do something for you
I could fix your broken shoe
I don't wanna hide
Oh I wanna help you find the clue
So that we save our own few
I don't wanna hide
I wanted to buy you some flowers
went downtown the shops were closed
But when I saw you smiling
I felt like flying over
Flying over the clouds oh yeah

Oh I wanna do something for you
Just tell me what to do
I don't wanna hide
But I know that you'll be leaving soon
But I never will forget you
Don't wanna to hide
Why will it take so long
Until I can see you again
And you know
It's just a dream oh yeah ...
Oh I wanna do something for you ...
Why will it take so long ...
Eeh yeah ...
