I know the thing  
That the truth in hereyes  
Makes me love her  
Sticks could break her little fine bones  
But words could never harm her  
She is crazy, she is crazy  
You can't hurt her  
You can't break her  
I see the skies through hereyes  
And the sun shines through her smile  
Sticks and stones could break her bones  
But words could never harm her  
She is crazy ...  
The roses are crying  
The roses are crying ...  
I miss her more than words can express  
Her lonely dances like the waterfalls  
She is crazy ...
