Such a beautiful sight
entered into my life
the interest conquered the fright
to greet the mother of all life

a pounding on a frozen street
where she planted a seed
the deepest essence of me so deep
my spirit was free

Oh I'm, thankin' blessed Mary
for life devine,
thankin' blessed Mary for life devine,
thankin' blessed Mary for life

Temptation messed me around
she picked me up from the ground
taught me to never let go
of your God-given soul

sometimes I still lose my mind - was good
when life is cruel and unkind
it's when I suffer I learn
depending of love will burn

Oh I'm, thankin' blessed Mary
for life devine,
thankin' blessed Mary for life devine,
thankin' blessed Mary for life

Yes my faith has been renewed
she guides me
to turn all life into the true oh oh oh ...
yes my faith has been renewed

Oh I'm, thankin' blessed Mary
for life devine,
thankin' blessed Mary for life devine,
thankin' blessed Mary for life devine,
thankin' blessed Mary for life

Temptation messed me around

she picked me up from the ground
taught me to never let go
of your God-given soul
