chorus

all I want for christmas is my two front teeth
my two front teeth see my two front teeth
gee if I could only have my two front teeth
then I could wish you a merry christmas

it seems so long since I could say
Sister Sissel sitting on a sissel
every time I try to speak
all I do is a whistle

chorus

good old Santa and his reindeer
they used to bring me lots of toys and candy
I call for hamster ramster honnor and blitzer
none of them can understand me
