The love we had was so nice  
I feel so terribly sorry  
And now I'm paying the price  
I'm just so terribly sorry

Why does it hurt me so bad  
I only learn when I'm burning  
And now it's making me sad  
Cause I know you're not returning. So

Refrain  
Why don't you go, why don't you go  
If you have to live your life  
I'll let you go, I'll let you go  
If you have to live your life

Look how far we have come  
It all seems so unnecessary  
Before the pain there was fun  
And there was nothing to worry

Some things are hard to understand

Like the reasons for you departure  
Whith no destination no plain  
But I know if you stayed it'd be harder. All right now

Refrain

Dogs bark louder, trees grow stronger  
when there's peace at mind  
Oh the ocean waters will be calmer now

So look how far we have come  
I feel so terribly sorry  
And I put it down on a song  
So I can earase the memories. Everybody now

Refrain 2x

The ocean waters will be calmer now
