Leavin' Blues

(Herman Johnson)

I wanted to leave here this evening
But I stays way too long
Wanted to leave here this evening
But stays way too long
Well the girl that I'm loving
Took that westbound train and go

Well the road is so foggy
And I can't see where to go
And the road is so foggy babe
I can't see where to go
Gonna take me so long to make it
I hafta drive so slow

Gonna take my breakfast here
Eat my supper in Mexico

I'll take my breakfast here
Eat my supper in Mexico
Say goodbye, Miss Karina
Well I won't see you no more
Yeah goodbye, Miss Karina
I won't see you no more

I wanted to leave here this evening
But I stays way too long
I wanted to leave here this evening
But I stays way too long.

Say goodbye
Won't see ya no more
Say goodbye
Won't see ya no more
