Someone To Save Me

Well I ain't got room
For all this misery
Yeah well I ain't got no room, no room
For all this misery
Well I ain't got room
Yeah, for all this misery
If it ain't the devil
Yeah the Lord'll set me free

Sure can tell you
Seeing now what I seen
Yeah I sure can tell you, sure can
I seen what I seen
Well I'm gonna tell you
I seen what I seen
Goin' to make a good man crippled
Gonna make a good man mean

Well I've got trouble
I'm gonna throw it down and go
I've got trouble; I've got some trouble
I'm gonna throw it down and go
Lord I've got trouble

And I'm gonna throw it down and go
I try to do some praying
But it's working much too slow

Staying around here
That's the last thing on my mind
Yeah well staying around here
That's the last thing on my mind
Staying around here
Yeah it's the last thing on my mind
Well I lost all my money
And I done run out of time

Well I need me a rope
Yeah I need shackles on my feet
I need a rope around my neck babe

Well I need shackles on my feet
I need a rope Well I need it now
I'm gonna need shackles on my feet
Well I need somebody
I need somebody near me
I need somebody to save my soul defeat
I need someone to save my soul defeat
