I'm gonna fall asleep watchin the news tonight  
Maybe you crashed your car on the highway  
That can be your only alibi  
The only reason why you never arrived

Well you've been lied to you've been cheated on  
But you never notice anyway you drink away your  
problems  
And you get that from your father  
We'll all answer to Jesus someday

Just somebody say hi  
Just somebody say hi  
And maybe even stay a while  
(come around and stay for a while)

You ain't too busy trying to bring me down  
(You ain't too busy trying to bring me down)  
To see the problems that you're causing yourself  
It's not too late to turn this thing around  
(but keep it down)  
Nobody's interested in hearing you shout

Just somebody say hi  
Just somebody say hi  
And maybe even stay a while  
(come around and stay for a while)

You ain't too busy trying to bring me down  
(You ain't too busy trying to bring me down)  
To see the problems that you're causing yourself  
It's not too late to turn this thing around (but keep it  
down)  
Nobody's interested in hearing you shout

I'm gonna fall asleep watchin' the news tonight  
Maybe you crashed your car on the highway  
That can be your only alibi  
The only reason why you never arrived
