This guy was meant for me
And I was meant for him
This guy was dreamt for me
And I was dreamt for him
This guy has danced for me
And I have danced for him
This guy has cried for me
And I have cried for him
Many miles, many roads
I have traveled
Falling down
On the way
Many hearts, many years
Have unrevealed
Leading up
To today
This guy has praied for me
And I have praied for him
This guy was made for me
And I was made for him
Many miles, many roads
I have traveled
Falling down
On the way
Many hearts, many years
Have unrevealed
Leading up
To today
This guy has praied for me
And I have praied for him
This guy was made for me
And I was made for him
Many miles, many roads
I have traveled
Falling down
On the way
Many hearts, many years
Have unrevealed
Leading up
To today
I have no regrets
There's nothing to forget

All the pain was worthed
And Im running from the past
I try to do what's best
And know that I deserve it
Many miles, many roads
I have traveled
Falling down
On the way
Many hearts, many years
Have unrevealed
Leading up
To today
Many miles, many roads
I have traveled
Falling down
On the way
Many hearts, many years
Have unrevealed
Leading up
To today
(and I thank you)
