Goodbye Darlin' (A Tribute To Conway Twitty)

By: Kelly Lang

My fingers ran across a cold lonely stone
Dated June fifth ninety-three
I thought I heard his voice as I turned to go
But it's only make believe

As I placed a rose, I wiped a tear
I never knew I would feel so sad
As I can to honor the man with a growl
The best friend a song ever had

Chorus:

Goodbye Darlin'
Though it's been a long time
You're still in our hearts
And your still on our minds
Thanks for the memories
You sang from your soul
Though it's goodbye darlin'
Wish I could hear you say hello darlin'

A soft caring soul, but a man of his words
And the songs he wrote tore out your heart
Ah he never knew just how great he was
When he left this world he tore us apart

Chorus:

Goodbye Darlin'
Though it's been a long time
You're still in our hearts
And your still on our minds
Thanks for the memories
You sang from your soul
Though it's goodbye darlin'
Wish I could hear you say hello darlin'

You know you were a legend
Ah you were one of a kind
And you left a void in our lives
When it was goodbye time

Chorus:

Goodbye Darlin'

Though it's been a long time

You're still in our hearts

And you still on our minds

Thanks for the memories

You sang from your soul

Though it's goodbye darlin'

Wish I could hear you say hello darlin'

Now I'm laying here with Conway on my mind

Conway Twitty: Hello Darlin'
