Did i ever tell you
How you live in me
every waking moment
even in my dreams
and if all this talk is crazy
and you don't know what I mean
does it really matter
just as long as I believe

I will love again, though my heart is breaking
I will love again, stronger then before
I will love again, even if it takes a lifetime to get over
you
heaven only knows,
I will love again

people never tell you
the way they truly feel
I would die for you gladly
if I knew it was for me
so if all this talk sounds crazy
and the words don't come out right
does it really matter
if it gets me though this night

I will love again, though my heart is breaking
I will love again, stronger than before
I will love again, even if it takes a lifetime to get over
you
heaven only knows

if I'm true to myself
nobody else
can take the place of you
but I've got to move on
tell me, what else can I do

I will love again, though my heart is breaking
I will love again, stronger than before
I will love again, even if it takes a lifetime to get over
you

heaven only knows, oooh,
I will love again

I will love again...
I will love again...
one day I know
I will love again
you can't stop me from
loving again
breathing again
feeling again
I know one day I'll love again!
