This Time... (echoes)x2
This Time I Know It's For Real

What would I have to do
To get you to notice me too
Do I stand in line
One of a million admiring eyes

Walk a tight rope way up high
Write your name across the sky.....

I'm going crazy just to let you know
You'd be amazed how much I love you so oh baby
When I get my hands on you I won't let go....
This time i know it's for real...

Should I write or call you home
Shout it out with a megaphone (megaphone)
Radio, TV-news
Got to find a way to get the message to you

Say I love you with a neon sign
Anything to make you mine.....

I'm going crazy just to let you know...
If I wait too long for you, I might explode oh baby

I've been around enough to let you know...
This time I know it's for real...
This time I know it's for real...

This Time (thiiiis time) This Time (this time)
This Time (thiiiis time) This Time (this time) Oh baby

Say I love you with a neon sign
Anything to make you mine.....

I'm going crazy just to let you know
You'd be amazed how much I love you so oh baby
When I get my hands on you I won't let go....
This time i know it's for real...

I'm going crazy just to let you know...
If I wait too long for you, I might explode oh baby
I've been around to let you know...
This time I know it's for real...(this time [echoes])
This Time
This time I know it's for real...
