Love is so beautiful
Love is so wonderful
Love is the fire
That burns my heart

Put out the flame
Put out the fire
Can't you see
I'm burning
Burning with desire
Don't play this game
Don't fool with me
Cause I'm not the one
I used to be

Just like a flower
That needs the rain
I need a little love
And you should feel
The same
Just like a song
That needs a rhyme
I'll be your music
And you will be mine

All we need is love
All we need is love
All we need is love
All we need is love

All we need is love
(Give, give me love)
All we need is love
(I need love)
All we need is love
(give, give me love)
All we need is love
Love I need love

Love is beautiful
(Beautiful, beautiful)
Love is so wonderful

(Wonderful, wonderful)
Love is the fire (fire)
That burns my heart

Love is so is beautiful
(Beautiful, beautiful)
Love is so wonderful
(Wonderful, wonderful)
Love is the fire (fire)
That burns my heart

Put out the flame
Put out the fire
Can't you see
I'm burning
Burning with desire
It's not a game
It must be real
I want to share
With all
The world
The way I feel

So hand in hand
We roam this land
And when you see us
You will understand
That all
We need is love
Let's tell the world
That all
We need is love

All we need is love
All we need is love
All we need is love
All we need is love

All we need is love
(Give me love)
All we need is love
(Gimme, gimme me love)
All we need is love
Ohhh I need love
All we need is love
I need love

All we need is love
All we need is love
All we need is love
All we need is love
