They wanted me to be the dream
My mood went south
And I'm stuck on the couch with bad jeans
And the couch sucks me down to the floor
And the floor sucks me down to the earth
And I'm covered and buried before
My heart had a chance to start workin'

Hey, it's heavy underground
I'm screamin' for attention
So come dig me out

And I said, "Hey somebody can you hear me now
'Cause my world is cavin' in"
So come dig me out
Come dig me out, come dig me out

It's rainin' again and who've guessed
No one's come along to tell me that I'm a mess
And the bed sucks me down to the floor
And the floor sucks me down through the earth
And I'm covered and buried before
My head had a chance to stop hurtin'

Hey, it's heavy underground
I'm screamin' for attention
So come dig me out

And I said, "Hey somebody can you hear me now
'Cause my world is cavin' in"
So come dig me out
Come dig me out, come dig me out
Come dig me out, come dig me out

I never thought I could fall ten feet under
I always thought someone would remember
To look for me
Before I reach the end

Hey somebody can you hear me now
'Cause my world is cavin' in
So come dig me out

Come dig me out, so come dig me out
So come dig me out, so come dig me out
So come dig me out
