I Don't Need It

what if i was to go and do something that i want to do
for a change
without everyone telling me what to do
what if i want to have sex for christ sake help me my
dad a lunatic
hearing people sing songs by fucking lunatics
help me daddy
help me momma
i dont need any one i can do it own my own so get the
fuck a way from me
please dont tell me what to do all i hear is bert running
his mouth say"
"spread you legs kelly"
hi needs too go fuck his slewf
help me momma
help me dady
i dont need any one s help i cant make it on my owqn
