I Need You

when i see you  
i forget all that i saw  
i don't feel you anymore.

oh i need you  
but i don't need nothing at all.

but your kiss  
that i don't miss  
and your smile  
that i defile  
and oh your touch  
it ticks me off and  
and oh your way  
it makes me crazy  
i don't want you  
do you want me?  
it's an addiction  
the friction  
of contradiction

i love you  
i love you  
i love you  
when did you go?

i love you i love you i love you  
so tell me no  
i love you i love you i love you  
leave me alone  
i hate you i hate you i hate you  
i need you so

i may want you  
but i don't want nothing at all

but your time  
when im busy  
and your mind

to make me dizzy  
i'll be fine  
when you dont miss me  
you'll be mine  
when you don't piss me off  
why cant you see right through me?  
and my addiction  
of friction and contradiction

i love you i love you i love you  
get out of here  
i love you i love you i love you  
you're killing me  
i love you i love you i love you  
when your not near  
i love you i love you i love you  
youre killing me  
i hate you i hate you i hate you  
whats wrong with me?

i love you  
i love you  
i love you  
when did you go?

i love you i love you i love you  
so tell me no  
i love you i love you i love you  
leave me alone  
i hate you i hate you i hate you  
i need you so

i love you i love you i love you  
get out of here  
i love you i love you i love you  
you're killing me  
i love you i love you i love you  
when your not near  
i love you i love you i love you  
youre killing me  
i hate you i hate you i hate you  
whats wrong with me?

(the song is called: Contradidtion/by: Kelly osbourne)
