[Kelly:]

Rude in a moment there [laughs]

[Man:]

All my pain, all my lovin, all my sacrifice going into this track.

[Kelly:]

Shut the fuck up.

Don't look for me.

'Cos I won't be found

Don't blame yourself

When I turn you down

Whatever you do

Don't believe

That it's about you

My head's on the run

And it's running for us

I've only begun

And I'll never be done

On my own's where I know

And nobody can hold

Me down when I come

'Cos my head's on the run

And what you think

Doesn't matter much

I do my thing

And you're not that tough

Whatever you do

Don't believe I'm changing for you

My head's on the run

And it's running for us

I've only begun

And I'll never be done

On my own's where I know

And nobody can hold

Me down when I come

'Cos my head's on the run

Head's on the run [x2]

My head's on the run
And it's running for us
I've only begun
And I'll never be done
On my own's where I know
And nobody can hold
Me down when I come
'Cos my head's on the run

Head's on the run [x2]
