Papa I know you're going to be upset
'Cause I was always your little girl
But you should know by now
I'm not a baby

You always taught me right from wrong
I need your help, daddy please be strong
I may be young at heart
But I know what I'm saying

The one you warned me all about
The one you said I could do without
We're in an awful mess
And I don't mean maybe please

Papa don't preach I'm in a trouble deep
Papa don't preach I've been losing sleep
But I made up my mind I am keeping my baby
I'm gonna keep my baby

He says that he's going to marry me
And we can raise a little family
Maybe we'll be alright
It's a sacrifice

But my friends keep telling me to give it up
Saying I'm too young I ought to live it up
What I need right now
Is some good advice please

Papa don't preach I'm in trouble deep
Papa don't preach I've been losing sleep
But I made up my mind I am keeping my baby
I'm gonna keep my baby

Daddy, daddy if you could only see
Just how good he's been treating me
You'd give us your blessing right now
'Cause we are in love, we are in love so please

Papa don't preach I'm in trouble deep
Papa don't preach I've been losing sleep

But I made up my mind I am keeping my baby
I'm gonna keep my baby

Don't stop loving me daddy
I know I'm keeping my baby
Don't stop loving me daddy
I know I'm keeping my baby
