Put your hand in a party wave, pass around
Make a shroud pulling combs through a backwash
frame
Find the copies in a carbon mount, pass around
Stroke a pocket with a print of a laughing sound

Get around town, get around town
Where the people look good, where the music is loud
Get around town, no need to stand proud
Add your voice to the sound of the crowd

Shade from a pencil peer, pass around
The fold in an eyelid brushed with fear
The lines on a compact guide, pass around
A hat with alignment worn inside

Get in line now, get in line now
Stay in time with the rhythm and rhyme

Get around town, get around town
Where the people look good, where the music is loud
Get around town, no need to stand proud
Add your voice to the sound of the crowd

Get in line now, get in line now
Stay in time with the rhythm and rhyme

Get around town, get around town
Where the people look good, where the music is loud
Get around town, no need to stand proud
Add your voice to the sound of the crowd
Add your voice to the sound of the crowd
