Sunglasses At Night

I wear my sunglasses at night
So I can, So I can
Watch you weave then breathe your story lines

And I wear my sunglasses at night
So I can, So I can
Keep track of visions in my eyes

While she's deceiving me,
she cuts my security
Has she got control of me
I turn to her and say*Coro*:

Don't switch the blade on the guy in shades; oh no
Don't masquerade with the guy in shades; oh no
You got it made with the guy in shades; oh no

And I wear my sunglasses at night
So I can, So I can
Forget my name while you collect your claim

And I wear my sunglasses at night
So I can, So I can
See the light that's right before my eyes

While she's deceiving me, she cuts my security
Has she got control of me
I turn to her and say*Coro*:
Don't switch the blade on the guy in shades; oh no
Don't masquerade with the guy in shades; oh no
You got it made with the guy in shades; oh no
