Have you ever closed you eyes Kelly Pettit & Mark Clay
In hopes that theyÂ'd pass by
Those imperfections that humble you ever time

I bet thereÂ's times when I make you mad
Make you loose your cool just a tad
Even worse, bet thereÂ's times when I make you sad

CHORUS

We all make little mistakes
Moments we canÂ't erase
Good intentions amusingly misplaced

TheyÂ're in our recollections
They color our connection- everyday
Those little imperfections
Are perfectly fine

VERSE

You left something behind
That put your day in a bind
Wishing hard you could grab the remote and rewind

YouÂ're Human and your mine
YouÂ're beauty and divine
You're more than I could ever hope to find

CHORUS

We all make little mistakes
Moments we canÂ't erase
Good intentions amusingly misplaced

TheyÂ're in our recollections
They color our connection- everyday
Those little imperfections

BRIDGE

They keep us slipping and stumbling around
But they keep us anchored close to the ground

ItÂ's these little things we do
Mostly we havenÂ't a clue
They're part of what made me fall for you

CHORUS

We all make little mistakes
Moments we can't erase
Good intentions amusingly misplaced

It's all our misdirection
To me its pure perfection
When said and done those little imperfections
Are yours and mine
Are perfectly Fine
