

## Cave-In

### "Iron Decibels"

Visit "[Iron Decibels](#)" on [MotoLyrics.com](http://MotoLyrics.com)

When it's over we meet downstream  
Always honor the code  
Wolf assassin the complete  
Piled stones shape the road  
Life of silence and grave battlefields  
Wield unbreakable stroke  
Famous for hired beheadings  
Resorted death long ago

And it shatters the bones  
Decibels of iron ton  
Shatters the bones

Meditate to keep the mind clean  
Skin blood-soaked to the bone  
Whistling wounds can mean nothing  
Taught the ancients of old  
Laugh with a demon at a meeting  
Cashed in all of my ghosts  
Don't search for any meaning  
Forward into the gold

And it shatters the bones  
Decibels of iron tone  
Shatters the bones

Follow in the way of the teeth [x2]

Heart engraved  
Parting word  
Spoken, saved  
Bound, enslaved  
Broken path  
Blood has paved

And it shatters the bones  
Decibels of iron tone  
Shatters the bones

Follow in the way of the teeth [x2]

Heart engraved  
Parting word  
Spoken, saved  
Bound, enslaved  
Broken path  
Blood has paved
