*[Kelly Price (Gerald Levert)]*

(Hmm, oh)

Oh baby, baby

My love I must confess

I don't know what to do

(Please tell me what is wrong)

You're seeing someone else

But I really care for you

(Please tell me girl how long)

It's been a little while

And mama thinks I'm wrong

(Sure you're right, I know you're right yeah)

Oh yes she does

She thinks that you're the one

And you and I belong, ooh

(Hmm, hmm, hmm, hmm)

So if you take me back

I promise to be true

(Will you? Will you?)

I've made up in my mind

That all I want is you

All I want is you

But baby I've been cheating

All I want is you

Don't know what I was thinking

I've made up my mind

It's time to say goodbye

To him and him and all the other men

Cause all I want is you

*[Kelly Price (K-Ci)]*

My love I must confess

I care for him it's true

(Girl I ain't gon' play no fool, no)

I've still been seeing him

While I've been seeing you

(So what'cha gonna do?)

He wants to settle down

What you don't wanna do

Why won't you marry me baby-babe?  
(Oh)  
I thought you came around (Oh)  
But you just can't be moved (Oh)  
But I made up in my mind  
That what you want is cool  
(Baby, yeah)  
As long as you're around  
Then all I want is you

All I want is you  
But baby I've been cheating  
All I want is you  
Don't know what I was thinking  
I've made up my mind  
It's time to say goodbye  
To him and him and all the other men  
Cause all I want is you

All I want is you  
But baby I've been cheating

All I want is you  
Don't know what I was thinking  
I've made up my mind  
It's time to say goodbye  
To him and him and all the other men  
Cause all I want is you

*[All]*

But, but, but, but  
You've been playing games  
(Do you really love me girl?)  
Oh yes I do (Do you really?)  
I do love you but it's not the same  
Sorry that I told a lie  
But I couldn't say goodbye

All I want is you  
But baby I've been cheating  
All I want is you  
Don't know what I was thinking  
I've made up my mind  
It's time to say goodbye  
To him and him and all the other men  
Cause all I want is you

All I want is you  
But baby I've been cheating  
All I want is you  
Don't know what I was thinking

I've made up my mind  
It's time to say goodbye  
To him and him and all the other men  
Cause all I want is you

All I want is you  
But baby I've been cheating  
All I want is you  
Don't know what I was thinking  
I've made up my mind  
It's time to say goodbye  
To him and him and all the other men  
Cause all I want is you

*[Kelly Price]*

I got you over here  
I got him over there  
And all I want is you  
(Prove it baby)  
To be my teddy bear  
(Prove it baby)  
Oh baby, baby, baby  
(I'm crying inside, oh, oh, oh)  
All the other men  
(Ooh wee)  
All I want is you  
All I want is you  
(Somebody help me, somebody help me)  
Don't know what to do  
(Somebody help me)  
Tell me what to do, hey, hey  
(Kelly don't do this, Kelly don't it, don't it)  
(Kelly, Kelly don't do it)  
Gerald baby, K-Ci baby  
All I want is oh, oh, oh
